

To print this as a booklet, please follow these instructions.

You will need a total of two sheets of paper for each booklet you print.

Here are tips how to do it:

From your print menu, select page 1 (A) and print. Reinsert the blank side into your printer and select and print page 2 (B) (In Acrobat Reader XI, select "Pages" and type in the page number you want to print)

With your second sheet of paper.

From your print menu, select page 3 (C) and print. Reinsert the blank side and select and print page 4 (D) (In Acrobat ReaderXI, select "Pages" and type in the page number you want to print)

Note: If your printer supports two sided printing, please follow your printer's guidelines.

Assemble pages as shown in the diagram below by folding and placing a staple in the center fold.

BH Handler's Written Test

In the event that you cannot print this in booklet form, you can download and print the test in a list format.
