What is DVG?

The initials DVG stand for Deutscher Verband der Gebrauchshundsportvereine, or the German Association of Working Dog Sport Clubs.

This is not an exact translation, but one that is most meaningful in English. While attracting breeders of all working dogs, DVG exists for only one purpose - the training and titling of dogs of all kinds. In addition to IPO titles, DVG offers Obedience and Tracking titles, providing competition opportunities for all people who love to train dogs, even the smallest of breeds.

Why DVG?

The training purist and competitive breeder can look to DVG for many benefits not offered by any other organization in the US or Canada.

- Over 100 years experience in the training of all breeds of working dogs
- All judges are German Kennel Club (VDH) and FCI recognized. Currently there are 10 certified judges residing in LV America. In addition, visiting judges from Germany may assist with local trials and championships.
- Trial decoys are certified, and on-going training and testing are required.
- It is the only organization whose members are qualified to compete in a German National Championship.
- All titles and scorebooks are recognized by the VDH, allowing a DVG member to compete in any local trial in Germany.
- An annual American Championship for levels 1, 2 and 3.
- Members and clubs throughout the United States and Canada

A MESSAGE FROM YOUR LV PRESIDENT

Annetta Cheek

We are in the middle of election season; your club president should have just contacted you about your votes for this year. New officers will take office on March 1.

Several members will be leaving the Board. I want to express my appreciation to all of them for their often thankless service to the LV.

Carole Patterson will be leaving the Board after many years as President, and one last term as Vice President. I'm sure all of you know Carole and have appreciated her help over the years she's presided over the organization. This really is a big change for the LV, and the end of an era.

Deb DeFrank has also served many years as Secretary of the LV, as well as Secretary of her KG. LV Secretary is tough job, going way beyond what one normally thinks of as secretarial duties. And Deb was always willing to step up and do an extra task when needed.

Anne Conroy has not served that long as Treasurer, but she's make a big impact on the organization, presiding over incorporating the on-line database into the way we do business, especially how we renew members. These changes will continue to have an impact on the LV for many years.

Roberta Haskell had perhaps the most thankless task, presiding over our smallest KG. KGN is so small it's difficult to find volunteers to take on critical tasks, and I know that there were many occasions when she just buckled down and did it herself. With her departure on January 1 we welcomed Butch Henderson to the Board as the new president of KG North.

You might consider writing to these departing Board members (their emails are still on the webpage) and expressing your thanks for their service.

I'd like to express my gratitude to the many members who responded positively to the request to help Billy Ray Purdy

after a tornado destroyed his home in Texas. It's gratifying to know that so many of you are prepared to help other DVG members in times of need.

We are getting a lot of questions about membership levels and dues. Remember that they were updated in 2015, and the current dues structure is on the website in the members-only section. If you have any questions, please ask the National Membership Officer at LVmembership@fastmail.com.

Also, please remember that everyone can now order their scorebooks directly from Germany. Please do not order your scorebooks from the LV. If you have an old form on your hard drive – delete it. Look on the website for the new information. Scorebooks will still be sent to members through their club president.

The AWDF championship is coming up. To enter as a DVG member, . . .

In other news, we are moving to create a DVG Foundation, a 501(c)(3) organization. LV DVG America is a 501(c)(7) organization – classified by IRS as a social and recreational club. Social and recreational clubs are non-profit and tax exempt, but if you make a donation to one you do not get a tax deduction for your donation. 501(c)(3) organizations are also non-profit and tax exempt, if you donate to one you do get a tax deduction. We hope to use the DVG Foundation to raise some funds to support educational programs for our members and, in some cases, for the public. I'll keep you posted on how the project goes – there's a lot of IRS paper work to fill out.

Have a great year, and best of luck training and trialing.

The summer heat is starting to subside a bit, which means one thing for Schutzhund enthusiast in Florida, trial season. It also means it's time for the regional championship of SEKG. This year's event was held on the first weekend of October, and was hosted by Space Coast Working Dog Club at their home field in Cocoa, Florida. The Schutzhund gods were smiling on the competitors as the first cold front of the year pushed out the rain, heat, and ungodly humidity, and brought in very pleasant evening temps, perfect for the dogs and their handlers. Before the main event on Saturday and Sunday, five teams showed for their BHs in an opent trial on Friday evening. All dogs were successful, and earned the right to pursue their IPO opportunities. Congrats to Jessie and

Championship competitor and dog teams convened Saturday evening under the lights to run their obedience and protection routines. First up was Oscar Rojas and his young dog Bodo, who were competing while attempting to earn a new IPO 1. Oscar Rojas and Bodo turned in a very respectable 87, on a very solid performance. followed that with a 85 in protection and an impressive 98 in tracking on Sunday to claim the IPO 1 title along with overall high score in the trial. Congrats Oscar and Bodo on an outstanding trial debut. After the 1s and 2 s, the IPO 3 competitors took the field for OB. Kay Lewis and her Doberman Pyro led all scorers with an 87, with Melissa Hepler and her dog Cino, along with Karen Grier and Uma scoring 83 points each. After a short break, the protection phase began. Front half was handled by helper Curtis Brantley, while the back half was the responsibility of Mike Lorraine. There were several outstanding performances turned in, led by Kay and her Doberman Pyro who impressed all with his solid and near flawless routine to score 100. Melissa and her fast and hard hitting dog Cino also impressed with a 96, and who can forget Mike O'Donnell and his malinois Raising Kane, who made a thunderous hit on Curtis Brantly in the escape bite, then charged down the field on the courage test, where Mike Lorraine made a spectacular catch and left the field with a 95. After protection most competitors headed out as tracking was scheduled for early Sunday morning. The tracking portion consisted of dirt at a local sod farm in Melbourne, many thanks to the Kempfer family for allowing the use of their property, and to Curtis Brantly who worked to obtain the site. Melissa and Cino led all the IPO 3 championship competitors with an 87 which led to her being crowned the SEKG regional champion for 2015. Many thanks go out to all the competitors, judge, and helpers for a fantastic event. To the members of the host club, many thanks

Did You Know?

DVG judges are available to judge trials for any AWDF-member breed club.

DVG judges are all-breed judges, understanding the different characteristics of each breed and evaluating their performance objectively. Once a year the DVG America judges meet and have a formal, two-day workshop to discuss new rules and their interpretation. All our Judges are active in the sport; working dogs and competing.

We have high standards for selecting judges.

Once they meet all the experience qualifications DVG judges must go through a very extensive apprentice program. They must apprentice at a minimum of five trials under several different experienced judges. They must write an extensive report on each trial, which goes to the judge, then to the head DVG America judge and then to the head judge in Germany, assuring oversight. They must pass a final written and practical exam administered by the head judge from Germany.

For more about our judges program, please visit the website:

The “JOYS” of Traveling

By Jacki Purdham, DVG America Judge

Hope everyone has had a wonderful holiday season. I wanted to share with all of you a story about one of my travels. If you ever have the pleasure of traveling with me, RUN!!!

I'm cursed when it comes to traveling!

So here it goes.....

I was asked to judge a trial for High Drive Working Dog (AWMA) 21-22 Nov. 2015 with Waine Singleton as an apprentice. This would be Waine's last trial before completing his apprenticeship.

On 21 Nov. I started out on this journey.

My flight was scheduled to leave at 5:50 am out of Omaha which takes me about 1 ½ hour to get to door to door. Mind you, I work nights, so I had just about enough time to go home after work, pack, and head out.

My 1st flight out of Omaha was delayed for 2 reasons. 1-for weather, and 2-, the tug used to back the airplane up, was stuck to the airplane.

So, 1st flight out, delayed flying into good ol Chicago O'Hare!

Due to this delay, I missed my connecting flight into Detroit. At this point, there is weather settling in.

Keep in mind, the trial is supposed to start 1-2 pm.

The airline puts me on the next flight out, so I still could make this schedule work.

NOPE!! This flight is now delayed due to weather. It's delayed 3 times in 45 minute increments until it is finally cancelled completely, and then, the Chicago airport is totally shut down!!

So, now I'm off to try and find a hotel and explaining to the club that I will not make it but they did get me on the 1st flight out in the morning.

In the meantime, Chicago gets 16 inches of snow and Detroit is now getting hammered with weather.

We can still make this work right? RIGHT!!!

I call Waine and inform him on my delays, but tell him that I will text him when I take off in the am and if he gets all the tracks in and has the 1st dog waiting for me, we can get this done. This will happen, it's just going to take some coordinating.

Now, my am flight out is delayed due to weather again! OH NO!!!!

This time for only a short 1 ½ hour delay. Finally, I make it to Detroit.

They pick me up and we drive (fly) to the tracking fields which are 2 hours away on roads that are, well let's just say, questionable!!

Waine does an amazing job and has all the tracks in and totally organized when I arrive to start. We run all the tracks in 6-10 inches of snow!

Did I say this is crazy yet??

We finish tracking and head straight to the club field, No Breaks!!

Oh, I forgot to tell you that their club house burnt down the night before too L

We get to the club field, and they had to have a tractor plow around the outside of the field and up the middle so that you could walk due to the snow being so deep. Then they got hand shovels out to make a hole for the dogs to do a long down in.

Yes, I think I've said this is the craziest trial ever!!

Finally, done with obedience and I gave everyone a 5 minute break before starting protection. We were limited on light, (no lights on the field) and I have to be on the road by 5:30pm to make my flight home.

The 5 minute break was really only so I could find my hand and foot warmers due to I could not feel my fingers anymore!

So we finished protection at 5:00 which left me with 30 minutes to do all the paperwork and sign the books. Angie traveled with Waine thankfully, and she had all the paperwork ready to go for us! I checked all my numbers, signed the books, thanked everyone and off on the next road trip to the airport for my journey home.

Low and behold, my flight leaving Detroit was delayed for more weather. OMG!!

Finally made it to Chicago, but missed my connection flight again and now there is no flight until next morning.

By this time it is late, and I'm on the 1st flight out in the morning, so it made no sense to get a hotel room for just a few hours, so yes, I

2015 DVG AMERICA CHAMPIONSHIP

A wrap up of the event, by Mike Johnson, with photos supplied by the event photographer, Maurice Brown.

The week was a great one. Commonwealth Working dog club put on an excellent event with a super venue. We were extremely fortunate to have three outstanding judges for the event. Ted Hartman was our American judge, overseeing tracking and we were very fortunate to have two German judges, Volker Sumlimma judging obedience and Klaus Jurgen Glueh as the protection judge. The credentials of all three judges is impressive. Ted Hartman, who has earned over 60 titles himself, is president and training director of his own club, has been awarded Gold Sports Medals, and these are just a few of his many accomplishments. Volker Sulimma, the obedience judge, has been a member of DVG for over 30 years. In 1991, he

was elected chair of the Club GSV Friedrichsort (Kiel). Not only a judge, but he has competed six times as a police dog handler in the International German Championship with the SV. Since his appointment as a Judge in '91 he has judged 14 National Championships in the United States and Germany as well as the National Championship of the Australia Schutzhund, to name but a few of his many achievements. And we were very fortunate to also have as our protection judge, Klaus –Jurgen Gluh. For nearly 30 years Klaus has been involved in IPO, titling five dogs, including his current Malinois, tracking in the LV Championship for tracking. Klaus has been a judge for over 15 years, overseeing many local trials and also

judging the LV championship, five BSP's and this year the VDH German Championship for all breeds in protection. Additionally in 2014, he was elected the LV LRO and is a member of the VDH working dog commission. We were indeed extremely fortunate and honored to have two such prestigious and exemplary proponents to judge our national event. The 2015 DVG Championship officially kicked off with the draw and banquet night. It was held at the premiere Maryland Waterfront and special event site, "Herrington on the Bay. " A great time was had by all with fantastic food and drink. A great chance to meet all the judges, helpers and competitors as well as sponsors and

out in the airport with all the other wonderful happy people that were also stranded there.

Ok, so now I'm on the 1st flight out on my last flight, and now it's delayed.

Really, I promise, I'm not making this stuff up!!

It was only delayed for an hour and I finally make it back to Omaha, and make my 1 ½ drive home.

This was all done on 6 hours of sleep!

All and all, I had every reason to cancel this trial, but NO!!! All the club members were willing to give it their all, and I know how incredibly important it was for Waïne to get his apprenticeship over with and become the judge that he so deserves to be!

I gave it my all, the club gave it their all, Waïne did one hell of a job, Angie saved us with organizing the paperwork, and we GOT IT DONE!!.

For the love of Dog Sport! Wouldn't have it any other way!!!

guests.

The tracking was held a fairly close distance from the facility, which made travel from one venue to the other very convenient. The tracking conditions were on hay grass, and a tough spring made conditions very difficult. Only two "V" rated scores were achieved, and these were by our top two finishers, Michael Lorraine (96) and Sandra Rushing (97).

The venue for the obedience and protection phases was the Showplace arena. The covered arena was just spectacular offering some shade from the unusually warm November weather.

Sandra Rushing and her malinois Kcharge of Vitosha and Joanne Fleming and her Bouvier Briarlea Solamente en la Luz took high obedience honors with fantastic obedience routiness scoring 96 points each. In protection, Michael Lorraine and his malinois, Graubaers Bruiser shined with a tremendous score of 98, capturing the over all first place and high in trial trophies, with scores of 96-94-98 (288). Second place went to Sandra Rushing 97-96-92 (285), placing third were Steve Clark and his Malinois Yargo of Vitosha 86-91-88, and fourth place belonged to Joanne Fleming with scores of 91-96-78.

Once again thanks to all of the competitors and to everyone that attended making this a tremendous success.

Editor's Note: While every effort was made to have photos of all the competitors included in this issue, circumstances beyond my control made that impossible. The additional photos of competitors that will be provided by the event photographer, will be published in the next issue of the magazine. Thanks for understanding.

K-9 REDLINE

PREMIUM LEATHER QUICK RELEASE PROTECTION & TRACKING HARNESS - \$84.99

The leather used in the making of this premium leather harness is soft and feels already broken in. All double leather and sewn with our heavy commercial thread. The handle is sewn and riveted for extra security. Both the breast plate and the back plate are padded with dense felt. This is truly one of the nicest harnesses we have seen to date.

SOLID RUBBER BALL WITH ROPE HANDLE

Small (Puppy) Long Rope - \$7.25 Medium - \$9.75, Large - \$11.25
The solid rubber ball with rope handle is a great toy for exercising your dog and for quick rewards.

3 HANDLE TARGETING BITE WEDGE - \$54.99

Perfect for creating ideal targeting with your young dog or correcting your older dog's targeting. The center handle gives you more flexibility in use. Makes a great send out toy.

HANDLE SEND OUT TOY - 19.99

Easy to grab and play with your dog. Comes in soft for puppies and normal for young and older dogs. Makes a great reward toy. Allows you to put the toy at your send out location and not be too visible to your dog. The 3 handle dog toy makes a great prey and bite pillow for puppies and young dogs.

FENIX YOUNG DOG SLEEVE - \$129.99

Fenix young dog sleeve is designed as a multi-purpose starter or grip building sleeve. The Fenix can be worn as a sleeve, inside is an adjustable strap, allowing you to adjust the sleeve to fit your arm. The adjustment on the Fenix young dog sleeve is a Velcro adjustment. The 2 handles along with the strap on the inside lets you use it as a 2 or 3 handle bite wedge for targeting purposes. We recommend the Fenix young dog sleeve for 9 - 13 month old dog. Could be used with an older dog to improve bite quality or close bit targeting.
